THE DAILY NEWSLETTER ABOARD REGENT SEVEN SEAS CRUISES®

## SEVEN SEAS SPLENDOR

MONDAY, SEPTEMBER 19, 2022 | AT SEA

EVENING DRESS CODE: FORMAL OPTIONAL

## SEVEN SEAS SPLENDOR - *luxury perfected*

In 2017, the canvas was set, and *Seven Seas Splendor* was named. The first cutting of steel in 2018, followed by the laying of the keel, marked significant beginnings in this multi - year journey of perfecting luxury.

Delivering a ship at this level of excellence required an attention to detail akin to the vision and touch of a master artist. The lavish finishes include over an acre of marble tiling, one - of - a - kind lighting installations bringing life to a multi - million - dollar art collection of one - of - a - kind pieces, both curated and commissioned, as well as intricate inlays, embellishments and private balconies that are the most elegant and among the most spacious at sea.

It's been an honor to share so many significant milestones with you — our guests — throughout the process of creating our latest masterpiece, from the announcement of Captain Melani taking the helm as the

world's first woman to launch a cruise ship to showcasing the intricate construction work performed by the talented team of shipbuilders in Ancona, Italy. *Seven Seas Splendor* will take you to new destinations with new experiences awaiting you both on board and on shore. Relax with the globally inspired treatments and expert care of Serene Spa & Wellness™ and expand your knowledge with the new Culinary Arts Kitchen classes. This is a journey that has further elevated our offerings, creating a true masterpiece, serviced by the finest crew on the ocean.

And now, please delight in exploring and experiencing the latest edition to the world's most luxurious fleet and the next reason to travel. Welcome aboard luxury perfected — *Seven Seas Splendor* — and may you enjoy...  
*An Unrivaled Experience®*

## MEET THE OFFICERS

**LUCIANO MONTESANTO**  
Master, *Seven Seas Splendor*

Luciano was born in Crotona, a small city of Calabria, Italy. After completing his education and training by the age of 19 at the Nautical Institute, he began to sail the world as a cadet for a tanker shipping company. In 2002, after obtaining his Officer's License, his interests turned to the passenger cruise industry. Throughout his 20-year career, he has proudly participated in several new cruise ship constructions and sailed around the globe. Luciano was promoted to Captain in 2022, and is proud to be at the helm of *Seven Seas Splendor*. It's difficult for him to pick a favorite place, but the sail away from New York City, Venice and Sydney harbors are hard to beat! While at home, he loves cooking, spending time with his dogs and traveling with his family.

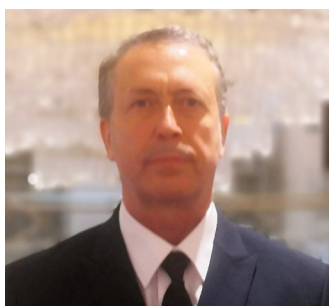

**FRANCK GALZY**  
General Manager

General Manager Franck Galzy is responsible for overseeing the flawless delivery of hotel and food & beverage services. After graduating from the CAFA Sommelier Wine School in Angers, France, he began his career at the famous Crabwall Manor Hotel & Spa in the UK. Franck joined Regent in 1999, where he quickly made his way through the ranks. Franck became Regent's youngest General Manager in 2009, and has maintained the position for 11 years. He has coordinated many special events during some of the line's most spectacular voyages. Franck was part of the build team for *Seven Seas Explorer* - The most luxurious ship ever built; and has now launched *Seven Seas Splendor™* - Luxury Perfected. He wishes you a unique experience on the latest Regent Seven Seas Cruises masterpiece.

**ALEXANDER TINIAKOV**  
Staff Captain

Alexander Tiniakov was born in Odessa, a city in the coast of the Black Sea. When he was six years old, his father - a Chief Engineer, sailed to his hometown on a cruise ship and brought the family onboard. As a young child, this sparked his dream of working onboard one day. On a tour around the ship, Alexander saw the impressive Navigational Bridge and told everybody that he wanted to be a Captain. Alexander studied at the Odessa National Maritime Academy for 6 years, graduating in 2011. He started his career as a Deck Cadet on ferries. Soon after, he started his career in the same position onboard *Seven Seas Navigator*. Following these years he passed all necessary ranks and now proudly holds the position of Staff Captain.

**EMIL SLAVCHEV**  
Chief Engineer

As Chief Engineer, Emil Slavchev's job is to keep the ship sailing smoothly. In addition to being responsible for the ship's engines, he directs a 41-person crew with a lengthy list of responsibilities from air conditioning and plumbing to steering machinery, fuel lines and more. Born in Bulgaria on the Black Sea coast, just on the border between Bulgaria and Romania, he developed a love for the sea at a young age. He would love watching the ships and dreamed of a life at sea. He graduated from the Bulgarian Naval Academy in Varna and began his career as an engineer. He is proud to be a part of the Regent Seven Seas family as Chief Engineer, on board the most luxurious ship ever built. He and his team work hard to ensure a memorable and powerful cruise for all guests.

**LORRAINE WEIMERSKIRCH**  
Cruise Director

A Floridian by birth, Lorraine has lived in twelve US states, Barbados and Grand Cayman, but calls South Carolina home (besides the RSSC Fleet, of course!). She holds a Bachelor of Fine Arts in Musical Theatre from the University of Arizona and has studied with the prestigious Royal Shakespeare Company. Her twenties were spent performing with Regional Theaters, National Tours, Commercials, Spokes-Modeling, and the Kennedy Center. In 1994 the ocean beckoned her aboard the cruise industry as a Singer/Dancer for Regent. After a brief break, she's had the honorable pleasure of being a Cruise Director with Regent Seven Seas Cruises since 1999. The sea is not her only love; Lorraine enjoys scuba diving, painting, gardening, bird watching, nature walks, DIY and interior design.
